For over 25 yrs., Pathways has been proud to serve the terminally ill in our community through the loving hands of our hospice volunteers. In addition to hospice, our caregiver volunteers for the frail/elderly and our bereavement volunteers and facilitators, touch the lives of more than 700 people each year. Your contributions make it possible for a small grassroots operation like Pathways to be so effective in this ever-changing world.

No one ever asks for an illness or a death to affect their family and their loved ones. It just happens. But when it does, Pathways is there to offer assistance, to provide support and to let you know that you are not alone.

Because of your gift, we are able to continue these vital services to those in need. Thank you for being a part of this effort.

Because we had many inquiries about the "taco guy" at the golf tournament, please find enclosed a Taqueria Mexico coupon with its location printed on the front.

As a designated 501c (3) non-profit agency, your contribution is tax deductible (**Tax ID 33-0241726**) to the fullest extent of the law. Please keep this letter for your tax records.

Thank you for your thoughtfulness.

Sincerely,
